93.4% of complaints

Highlights

- Montgomery County Airpark received 183 noise complaints from 8 distinct households during August 2026.
- The single most active household submitted 89 complaints, 48.6% of the month's total.
- The five most active households accounted for 171 complaints (93.4% of the total).
- Half of all complaints came from 2 households (25% of complainants); the median household submitted 13 complaints.
- Montgomery Village was the leading city with 114 complaints (62.3% of the total).
- 5 complaints (2.7%) were filed at night (10 p.m.–7 a.m.), most often in the 12 AM hour (5 complaints).
- Complaint volume peaked in the 11 AM hour with 45 complaints.
- The Complaint Box mobile app accounted for 68 complaints (37.2%) and the webform for 115 (62.8%).
- The most frequently cited concerns were Noise / Loudness (182), Repeated Circuits / Touch-and-Goes (86), and Low Altitude Flyover (68).
- Tuesdays were the busiest day of the week (43 complaints, 23.5% of the month), and 97.3% of complaints were filed during daytime hours (7 a.m.–10 p.m.).
- 4 of 8 households filed 10 or more complaints, while 1 filed only once.
- The concentration of flight training activity may be associated with elevated complaint levels during specific days and time periods.
